

We have charity information PAMPHLETS -

You will find them very useful to help with your fundraising activities.

The pamphlet explains to people (members of the public) the work that Trust PA Spinal Injury is involved in/with. This includes our history, the research background related to spinal cord injury (SCI) with the current developments so that people understand; how their support can help and why this is important, plus the huge value this work is to UK Society and the future of UK health.

The pamphlets also share examples of ways that people can help us to raise funds to make permanent Spinal Cord Injury (SCI) paralysis - no longer the inevitable outcome for injured men, women & children.

We will be glad to support you with a pamphlet supply if you please make contact:

Do tell us what you will be doing - including: When & Where etc?

Then with a few further details about your fundraising idea or event, we can help you get the message shared publicly.

We can set up an events page on our website to attract support and sponsorship as well, plus as you may have seen if required we also have sponsorship & Gift Aid Forms.

Checkout our website section - Contact Us:

Send us an Email, Letter, text message or just phone.

We look forward to hearing from you, many thanks Rob & Gerri
